1. It is noted here that the changes to the claims presented in the preliminary amendment received 30 December 2005 do not correspond to the previously presented set of claims. Although applicant notes that the amended claims are the claims previously amended during the PCT process on 10 May 2005 (Remarks/Arguments, page 6), those claims are not present in the national stage. However, for the purposes of advancing the prosecution in this application, the listing of claims is considered to be compliant and there are twenty (20) pending claims. To the extent that there were originally thirty-four (34) claims, claims 21-34 have been cancelled. See the attached complete claim listing.
